**Directions:** Questions 11–15 are based on the following memo. Read the e-mail and the questions. Choose the best answer and mark the letter (A), (B), (C), or (D) on your answer sheet.

Attention AXIS Fitness Club Members

As another year comes to an end, AXIS Fitness Club would like to thank all of its valued members for making AXIS one of the city's best and most popular fitness clubs. We look forward to providing you with the best facilities and services in the coming year.

Please be informed that AXIS Fitness Club will be closed from December 23 until January 6 for annual winter holidays and renovation<sup>1</sup> of the club facilities. We regret any inconvenience this may cause and would like to offer our members four free hours of personal training that can be used at any time throughout the coming year.

In order to provide better service to our members, this year's renovations will include putting new, larger lockers in our locker rooms, painting the lobby and fitness rooms, as well as opening a new healthy café just for members.

In addition, new running machines and stationary bicycles will be installed in the main fitness room. And weight lifters will be happy to know that all free weights will be replaced with a new rubber-coated weight system.

Starting in January, AXIS will be adding more group classes in yoga, hip-hop dance, ballet, and much more. Watch the signboard for weekly updates and schedules.

We hope that you will enjoy the changes and wish you all a very Merry Christmas and a Happy New Year!  
AXIS Fitness Club Team
